ABOUT THE EVENT

A Toast to the Top is an International Women's Month event celebrating women's social, economic, cultural, and personal achievements in our community. Society would like us to believe that once you reach "the top," you will be lonely, outgrowing your friends and family. We are here to show you how to break that narrative, bringing like-minded women with you up the never-ending mountain. It does not have to be lonely at the top... and if it is, you are doing it all wrong!

Join us to connect and learn more about the amazing women in our area, as we toast to women everywhere, each climbing their own mountain!

BENEFITING NONPROFIT

Proceeds benefit EmpowHERment, a non-profit women's empowerment community center committed to helping women rise through support services, support groups, and empowerment workshops.

Founded by Ambee Stephens, EmpowHERment's mission is to empower all women by fostering the skills and resources needed to obtain self-sufficiency in finances, mental/emotional wellness, and the cultivation of relationships.
